# **CP-WU8440**

## WUXGA INSTALLATION LCD PROJECTOR

Our new CP-WU8440 projector is geared up for simple and user-friendly functionality in any environment. With a convenient motorised lens shift, and a central lens position, images can be seamlessly adjusted and moved at the touch of a button. Plus, with a wide range of optional lenses, the CP-WU8440 can adapt to any environment, from conference rooms and lecture theatres, to museums or anywhere requiring a creative solution.

## Performance

- WUXGA resolution (1920 x 1200)
- Light Output (Brightness):
   4200 ANSI Lumens (Normal Mode)
- 3000:1 Contrast ratio (Presentation Mode)
- Full connectivity including 2 x HDMI
- Input Source Naming
- Wide range of optional lenses
- PC-Less presentation
- 2 x 8W speakers
- Motorised zoom
- Motorised lens shift
- Central lens position
- 2x standard zoom lens
- Instant stacking for enhanced brightness levels

#### †wireless is optional on this model (USB wireless adaptor sold separately)

## **Cost of ownership**

- Long life lamp lasts up to 4000 hours in Eco Mode
- High performance filter lasts up to 15,000 hours in Eco Mode
- No additional filter cleaning costs
- Easy set up and installation
- Power saving mode
- Virtually maintenance free

### **Advanced Network Features**

- Full connectivity including 1 x RJ-45
- Optional wireless networking<sup>†</sup>
- Configure and control projector via network with a web browser
- Crestron RoomView®
- Projector management via SNMP
- Messenger function
- AMX Device Discovery
- PJ Link™
- Network Bridge

## Environment

- The extended Hybrid Filter life means reduced electronic waste and reduced maintenance visits, resulting in an overall reduction in carbon footprint
- Reduced power consumption less than 0.35W in Standby Mode

Hitachi have formulated an "Environmental Vision" to contribute towards building a sustainable society through business and product development.

Our goal is to develop life-enhancing technology that will contribute to and realise a truly sustainable society for current and future generations.
