

EH-TW7200

DATASHEET

1080p

2000 lm

120,000:1

3D

Featuring wide lens shift, a high 120,000:1 contrast ratio and 3LCD technology, this entry-level Full HD 3D projector offers many high-end features at an affordable price. This model is ideal for powerful and immersive home cinema experiences, and is the perfect way to enhance your home cinema experience.

3LCD projector

Delivering powerful Full HD images, this affordable projector is enhanced by Epson's 3LCD panels, providing superb high-quality images for a wide variety of content. An equally high White and Colour Light Output of 2,000 lumens mean you can watch the latest films with bright and vivid colours during the day, without having to sit in the dark.

Easy set up

The wide lens shift, powerful zoom lens and centred lens make it quick and easy to set up in a variety of positions, without picture blurring or distortion.

3D Home Cinema

You can watch bright 3D content with Epson's luminance enhancement technology and lightweight, rechargeable Radio Frequency (RF) active shutter 3D glasses¹. Also, the projector easily converts 2D high definition films into 3D, allowing you to experience even more 3D content.
